**FIRST-YEAR SCHOLARSHIPS**

The UAB International Scholarship, valued at USD 5,000 per year, is available to applicants enrolling as first-year, full-time, degree-seeking students. Applicants who are graduating this year from a secondary or high school outside of the United States, with a minimum grade point average of 3.0/4.0, are automatically considered as soon as they are accepted to UAB. Students must be accepted prior to May 1 for the August intake. All scholarships are awarded on a first-come, first-served basis as funds are available and are renewable for a total of four years (or eight academic semesters). Students who are receiving governmental scholarships or other external support are not eligible to receive this award.

IB Scholarship

High school seniors who are candidates for the International Baccalaureate Diploma can apply for an IB Scholarship. For more information regarding this award, and to obtain a scholarship application, please visit www.uab.edu/ib.

The priority deadline for acceptance and submitting your scholarship application is March 1 for the Fall Semester (August) intake.

For more information and to learn about other scholarships and financial assistance, visit www.uab.edu/scholarships.

HOW TO APPLY
Ask your home campus student exchange/study abroad office for their student exchange application. Spaces are limited, so your home campus will need to nominate you as an eligible exchange student. You must apply to your home campus first before contacting UAB.

Ask your home campus student exchange office for their exchange application deadline.

After you’ve been accepted as an exchange student by your home campus, your home campus study student exchange office will send your nomination to UAB Education Abroad, who will contact you regarding applying to UAB.
